Liniers, Buenos Aires - Argentina.
LinkedIn   Github   Portfolio

Full Stack Developer with training as a Web Designer. Experience working with JavaScript using technologies such as Node JS, React, Redux, SQL among other technologies in the sector. I was part of the creation of a Marketplace for the purchase and sale of products for educational purposes. I am very interested in being able to work applying my knowledge, get better at what I am good at, being part of a team and being able to learn from it, and I always try to ensure that the work comes out in the best possible way.

TECHNOLOGIES

HTML, CSS, JavaScript, React, Redux, Node.js, Express, Postgres, Sequelize, Figma, Scrum.

PROJECTS
